

Ely District Scouts

Rhineland Adventure (Germany) 2010

November 2009

To:

All Scouts & Explorers Scouts (& your Parents)
All Scouters in Ely District (with Troops & the Explorer/Young Leaders Unit)

The Scout District is planning to take a contingent of Scouts & Explorer Scouts to Germany in Summer 2010, and have booked a site at Brexbachtal Scout camp Site, Bendorf-Sayn, near Koblenz, in the west of Germany. (see www.brex.de for details of the site).

UK departure is expected to be on Monday 26th July 2010, returning 9/10 days later on Tuesday 3rd or Wednesday 4th August; exact dates dependent on numbers, travel times etc.

Based on the very successful 2008 expedition to Denmark, we are setting the cost at the same level of **£285** per person. Keeping the cost at this level will entail some fund-raising – and everyone joining the trip is expected to take part in the fund-raising activities that will be organised for the Spring & Summer terms.

Interested?

We now need to know (without commitment) who, and how many, Scouts & Explorer Scouts are interested in attending so we can firm up key details. If you are interested, please reply by the end of this term (before Christmas).

Please ask your parents to e-mail both Ian Weatherall (District Secretary) and your own leader, if you are interested in attending (or return the reply slip below). The email needs to give the details shown by the reply slip. We will provide more information soon so a deposit can be paid during January. *Details will also be provided to each Troop/Explorer leader.*

David Briston
District Commissioner
