

Ely District Scouts - Rhineland Adventure 2010
26th July - 4th August 2010

Photography Release Form

Name of Participant:

A key part of all International Scouting expeditions is to promote the positive side of Scouting to the public at large through the Media (newspapers/radio), displays, etc; and importantly to capture some of the fun and adventure by way of souvenir DVDs (on return).

We hope that all will agree to images being used in this way, to give a Group identity. We do understand some parents may prefer pictures not to be taken of their child for use in the above ways, so invite your written confirmation, below:

(You are advised that we have no control over pictures which may be taken by the public during the course of visits away from our base in Germany)

We will not publish any address details or surnames of any young people in captions associated with the photographs.

It would be very helpful if you can confirm that you are content for the pictures to be used in publicity material by signing the form below.

Many thanks for your assistance.

Yours sincerely,

Ian Weatherall
