

Risk	Control
Moving on roads in the dark	<ul style="list-style-type: none"> <li>-Hi Vis Jackets to be worn</li> <li>-Adults and Young People asked to bring head torches</li> <li>-Beavers - to move around in small groups with an adult to supervise all road crossings. Road crossings to be minimised by each group working along one side of a road.</li> <li>-Cubs - Cubs to be told not to cross roads without adult supervision. Road crossings to be minimised by each group working along one side of a road, then back along the opposite side.</li> <li>-Scouts - Scouts to be reminded about crossing roads safely and to work with a team on each side of the road to minimise crossings.</li> </ul>
Slips and Trips	<ul style="list-style-type: none"> <li>-Adults and Young People asked to bring head torches</li> <li>-Each section leader to bring a small first aid kit. Larger first aid kit available in supporting vehicle, with radio/mobile comms to request support as required.</li> </ul>
Allergies - sweets may be donated to the young people and it will be difficult to check/distribute them safely in the dark, and with parent helpers who may not know the allergies of all the children	<ul style="list-style-type: none"> <li>-Sweets given for the young people are not to be eaten on the night, but collected by section leaders to distribute. This also ensures fairness.</li> </ul>
Losing a child	<ul style="list-style-type: none"> <li>-Section leaders responsible for registers at the beginning and end of session, and for knowing which young people are in each group.</li> <li>-Each small group leader to be aware of how many young people are in their group</li> <li>-All young people and leaders to wear Hi Vis jackets, with neckers to be worn on top so that they are visible</li> <li>-Usual ratios for activities away from a normal meeting place to be maintained as a minimum</li> <li>-Beavers to work in smaller groups - expectation that each half of the colony will have 1 leader supervising, with Beavers working in teams of 2/3 each supervised by a leader or young leader or parent helper who will stay with that group to approach doors.</li> <li>-Cubs - each six to be supervised by a leader + a young leader or parent helper, and to remain in sight of their leader at all times.</li> </ul>
Pre-existing medical issues	<ul style="list-style-type: none"> <li>-Each section leader is aware of these and will bring emergency contact details</li> <li>-Young people requiring inhalers or epipens will carry them as per normal meetings and the leader of their group should be aware of them</li> <li>-Additional copy of emergency contact details to be held in roving car</li> </ul>
Interactions with public	<ul style="list-style-type: none"> <li>-Young People to be briefed on which houses to approach, what to say, and what to do if they feel uncomfortable.</li> <li>-Young People to be told not to enter any houses and to remain in sight of leaders at all times</li> <li>-Event to be publicised in advance, so collection is expected.</li> <li>-Only houses with halloween decorations or displaying our leaflet are to be approached.</li> <li>- Young people to remain in groups of two or more</li> </ul>
