

CHALLENGE 21

HOW TO FIND THE BADGE ON OSM (GOLD LEVEL REQUIRED)

Log into OSM, go to "Challenge Badges" and click "Add badge"

Type "Challenge21" into the search function, click on "Challenge 21 (section name)" and then on "Add badge to my Challenge area". It will then appear each time a leader goes to the "Challenge Badge" part of OSM.

When searching for the badge remember it needs to be just Challenge21 (there is no space!)
