

What happens next?

Everyone who applies will be invited to attend one of the selection days. You will have been asked on the application form which day, if either, you prefer to attend. Please note: To be considered for a place on the Jamboree, you **MUST** be able to attend one of the selection day events being held at 1st St. Neots Scout Hut, Saturday 11th – Sunday 12th October.

The day will run from 09:00 to 15:30 and will involve a series of fun activities and challenges to see how each of you interact and engage with others, work as a team, support one another and at times maybe take the lead. Some of the themes and topics covered will look at how much you understand about what a Jamboree is, what you think about the key messages on sustainability, the environment, inclusivity and how you think you can work towards your personal fundraising target to be able to attend, so make sure you come prepared to share your thoughts and ideas.

It's not an interview and there are no right or wrong answers. And, we are not looking for the 'best' or 'highest achievers' either - this is about you, and we are looking for a whole mix of young people who, working together, will get the most out of their Jamboree experience. So, we just want to see you, relaxing, enjoying the day and having fun, regardless of if you make it through to the unit or not. We want you to come away having made some new friends and having had an enjoyable day of scouting fun!

We are expecting quite a lot of young people to apply for the Jamboree and we only have 36 places to offer, so please try your best on the day, but don't be too upset if you don't make it - sadly we can't take everyone. There will always be other new and exciting International Scouting opportunities on offer too for you to think about going for!

We will be contacting everyone, regardless of if you were successful or not, by late October.
